

We have the courage
it takes to see beyond
the evidence that
appears to the most.

BORRELLI

LAW FIRM

Borrelli Law Firm was founded in 2008 by the lawyer Paolo Borrelli.

Our main clients are **SMEs**, but we also follow **listed companies**, **public and private bodies** as well as **professional firms** who turn to us for the high practicality in achieving the expected goals.

We are lawyers independent able to follow our clients in any question big or small it be.

We like to stand out for effectiveness, competence, promptness and high specialization.

Thanks to a **multidisciplinary team** of professionals, we advocate for proceedings of high complexity and value, we take care of the legal profiles of extraordinary corporate transactions as well as the drafting of contracts, pre-bankruptcy and bankruptcy agreements with creditors and debt restructuring procedures, re-organization and over-indebtedness, as well as planning and asset protection procedures.

We offer to clients our ability to solve complicated problems with simple solutions!

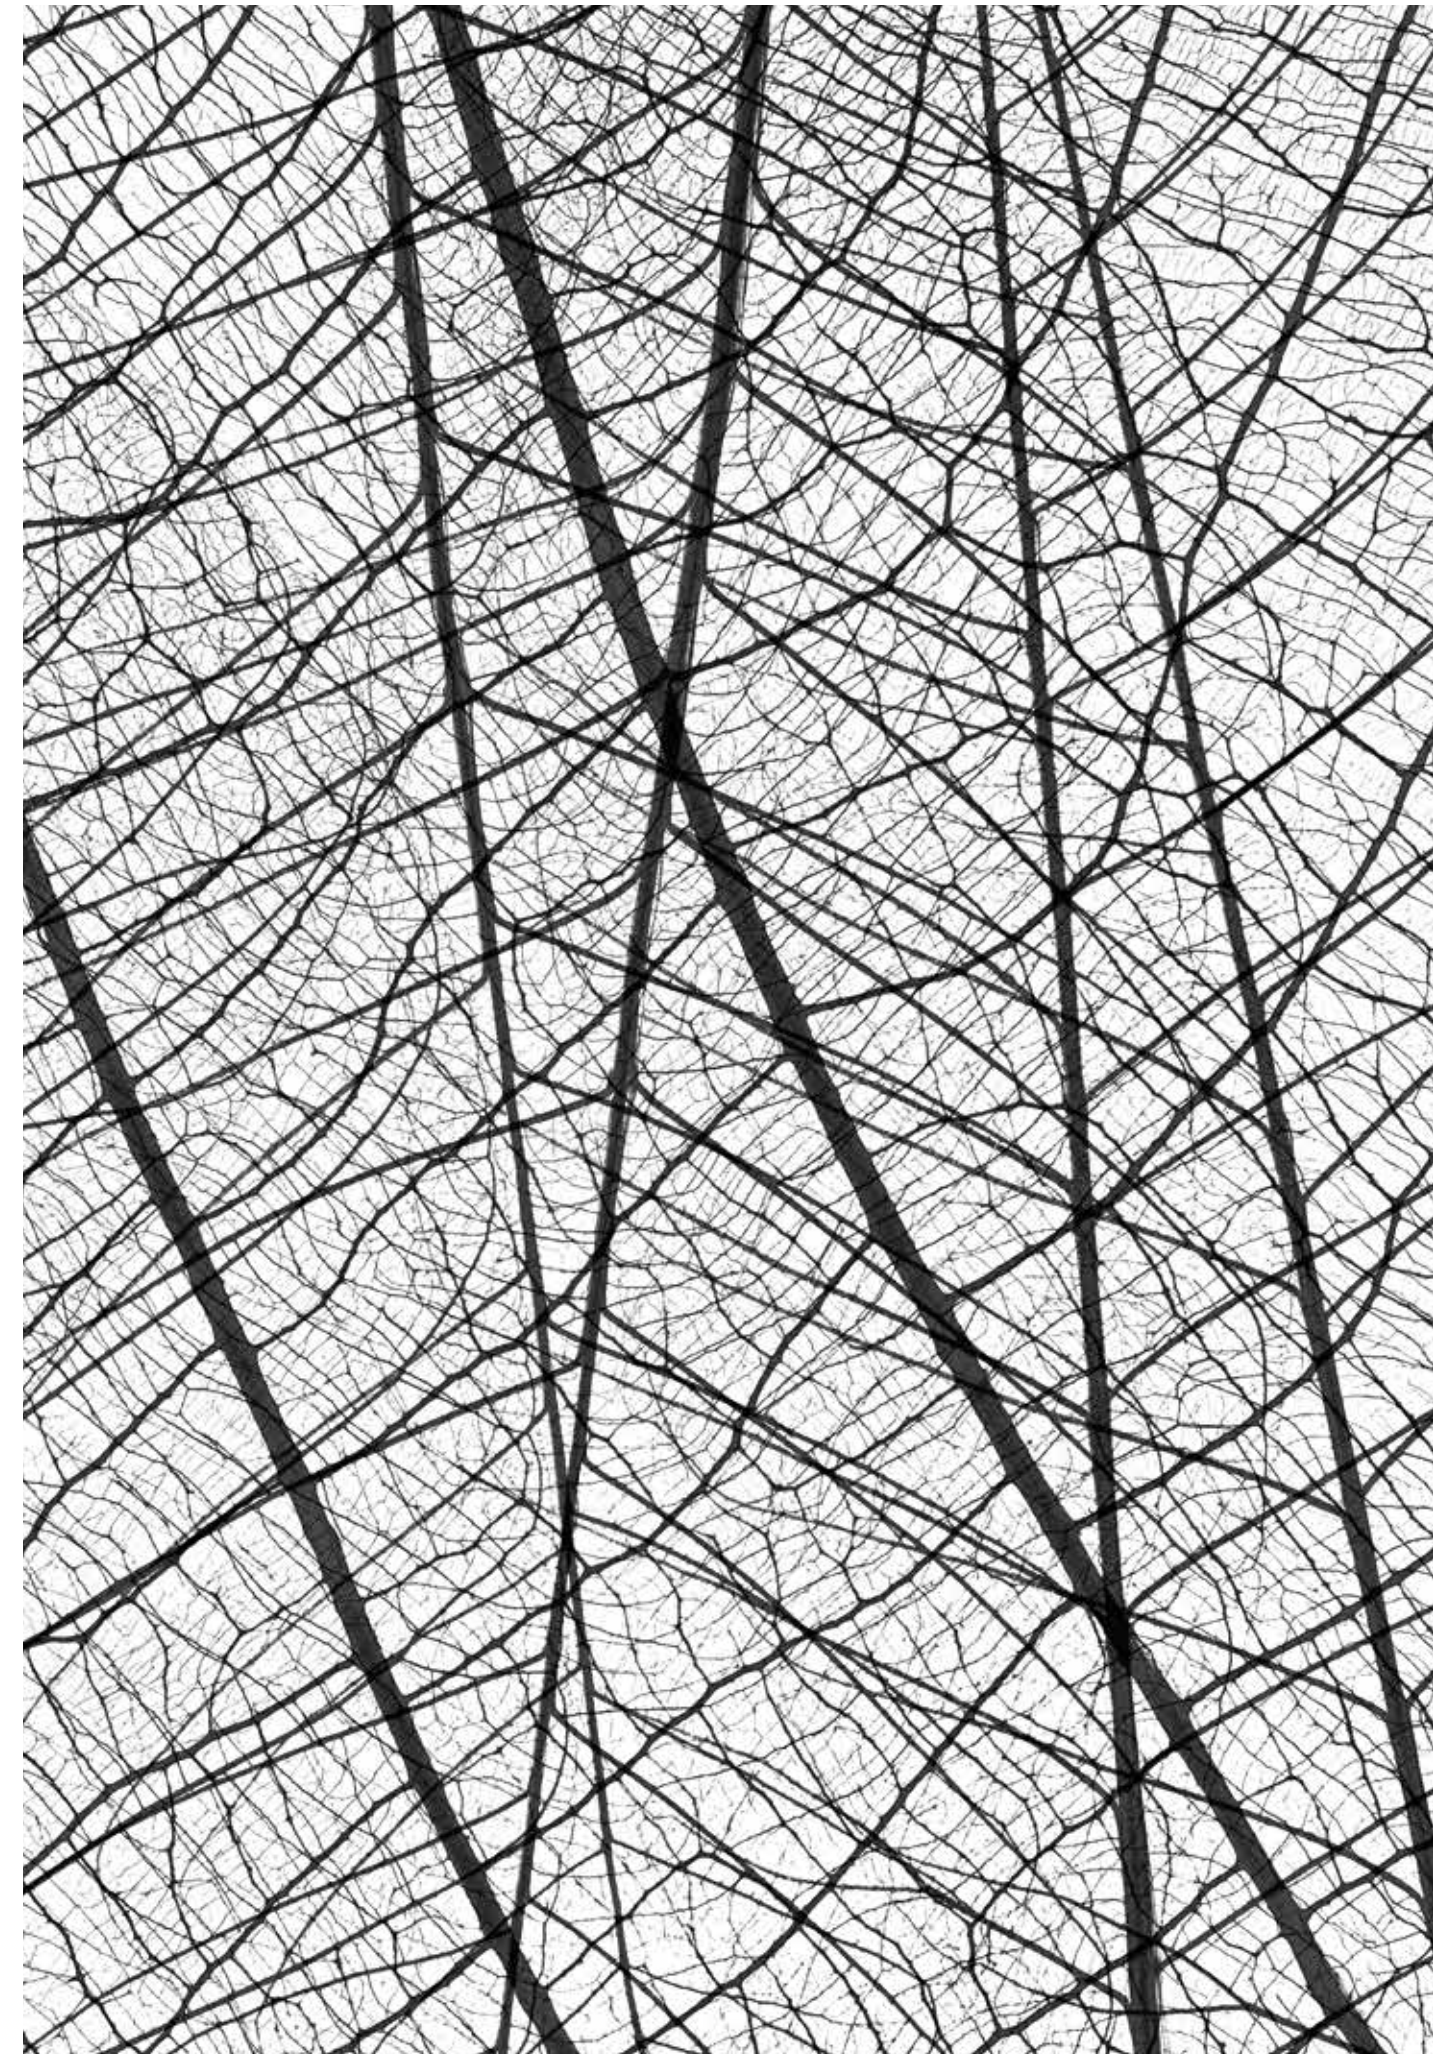

We think that “lateral thinking” is essential to find innovative solutions, to respond to ever-changing needs of whom does business in this country, making the acquired knowledge available to our clients with a broad vision that translates into lasting value over time.

We have the strength to bring our clients out of the crisis but also the ability to leading them.

We regularly publish in some specialized magazines as we are constantly updated. We join to the following Networks: Advisor Group, Cisal Filp, and we are Business Partner of Il Sole24Ore.

In 2020 we are among the Law Firms of the Year for Il Sole24Ore and we have been chosen as finalists of the 10th annual edition of Le Fonti Legal Awards in this categories: “Boutique di Eccellenza - categoria speciale” (Boutique of Excellence - special category), and “Professionista dell’Anno - categoria speciale” (Professional of the Year - special category).

to consolidate positions reached, providing ideas innovative that are needed for keep up with the times. The Law Firm is completely computerized and attentive to innovation, environment and social responsibility. We collaborate with leading national and international firms in the field of insolvency, corporate and fiscal procedures.

Bankruptcy Procedures, Restructuring and Over-indebtedness

Since the start of the activity of our firm we have been operating in the field of restructuring and, in general, bankruptcy procedures.

Our business is focused on the crisis and the insolvency of the company in all its aspects; we are able to drafting, with a high promptness, pre-bankruptcy and bankruptcy agreements with creditors.

We are always at the side of our clients in dealing with questions, sometimes extremely complex, resulting from the credit crunch and the slowdown of the real economy or related to current situations.

We have developed a high level of expertise and experience also in assistance as consultants in over-indebtedness procedures, consumer plan, agreements and judicial liquidation and we are in able to provide concrete and also effective assistance in these proceedings.

Company Law and M&A

We can effectively deal with extremely complex situations e solve problems that require an innovative approach.

We assist industrial and commercial companies, in the structuring and activation of any corporate transaction, also extraordinary transactions.

We provide legal advice in relation to all ordinary aspects of corporate and commercial law.

We also provide specialized advice for and during the shareholders' and board of directors meetings as well as for the ordinary company's management.

Our aim is to establish a continuous and lasting connection, in order to maximize the level of knowledge of the company and decrease the overall cost of service.

We deal with extraordinary transactions, acquisitions and start-ups.
